

## ZEV Parking Decal Program Ending

### New Information

Effective January 1, 2012, a zero emission vehicle (ZEV) is no longer required to display a ZEV parking decal in a ZEV designated parking space, and the Zero Emission Vehicle (ZEV) Parking Decal Application (REG 4048) form becomes obsolete. Only vehicles **connected for electric charging** will be allowed to park in ZEV designated parking spaces.

**NOTE:** ZEV parking decals are not the same as Clean Air Vehicle Stickers and are not affected by this new law.

### Procedures

After December 31, 2011, ZEV decals are no longer required.

### Background

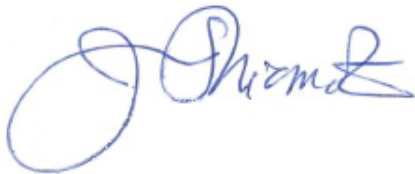

New legislation ends the ZEV parking decal program after December 31, 2011, and ZEV decals will no longer be issued or required.

### Distribution

Notification that this memo is available online, at **www.dmv.ca.gov** under Publications was made via California DMV's Automated E-mail Alert System in November 2011.

### Contact

Call the DMV Customer Communications Section, at (916) 657-6560 for further clarification of this memo. Upon request, this document can be produced in Braille or large print.

A handwritten signature in blue ink, appearing to read "J. Shiimoto", with a large loop at the beginning.

JEAN SHIOMOTO, Deputy Director  
Communication Programs Division
